### Specifications

|                        |  |
|------------------------|--|
| Lens                   | Choice of Lenses; 3.6, 6, 8, 12, 16, 25mm    |
| LEDs                   | 104 LEDs, 940nm invisible infrared           |
| IR Distance            | 100ft  |
| Housing                | Metal with Sun Shield                        |
| Weather Proof Rating   | Fully weatherproof for indoor or outdoor use |
| Dimensions             | 3.5" (Diameter) x 2.5" (Deep)                |
| Power Supply           | 12VDC 1 amp (included)                       |
| Power Consumption      | 375ma  |
| Warranty               | 1 Year                                       |
| On Screen Display Menu | NO   |

### Camera Specifications

|                         |                                       |
|-------------------------|---------------------------------------|
| SC-106HCB               | 700 Board Camera                      |
| Board Lens              | Choice 2.8, 3.6, 6, 8, 12, 16 or 25mm |
| Color                   | Day-Night Color B/W                   |
| On Screen Display OSD   | YES                                   |
| Resolution              | 700 lines                             |
| Image Sensor            | 1/3" Color Sony CCD 960H              |
| Lux                     | .01 LUX Color, .0001 LUX B/W          |
| 940/50nm Compatible     | Optional                              |
| 850 IR Compatible       | Yes 850nm                             |
| Curve Reproduction      | Adaptive Tone Curve Reproduction      |
| Effective Pixels        | 1020WX 508T                           |
| Shutter Speed           | 1/60 ~ 1/120,000 sec                  |
| S/N Ratio               | 52dB (min) / 60dB (TYP)               |
| Sync                    | Internal                              |
| Gain                    | Auto Gain                             |
| Iris                    | Auto Iris                             |
| White Balance           | Auto White Balance                    |
| Back Light Compensation | Auto BLC                              |
| DSP                     | Effio-E (4140+811/810)                |

### Package Includes

- SSC-104C 104 LED Camera (select lens size)
- Sunshield
- Mounting bracket
- AC power supply
